Please submit your application with all required information as soon as possible. If you have any questions, please email at vendors@sneadsferryshrimpfestival.org. A backup list will be maintained should there be a need to replace a vendor.

(Photos and web addresses will be used for promotional purposes on social media, website, app, etc.) Remember booth spaces are for 10'x10' tents ONLY.

If rain occurs or inclement weather and you are forced to shut down your booth, you must be ready to reopen your booth as soon as the rain or inclement weather has cleared. If any one of the mentioned items, or combination of the above-mentioned items are not followed, your deposit will be lost, and you will possibly lose the right to return for the following year.

Security: We will have paid Security on the premises from 6 p.m. Friday until 11 p.m. Saturday, but that does not release you from liability nor does it hold us liable for theft, fire, or destruction.

All vehicles MUST be off the grounds by 3 p.m. Friday afternoon. There is no RV parking and no electricity, water or sewer hook ups for vehicles. SAFETY

1. First and foremost: Safety is everyone's responsibility. If you see anything that could or might be a safety hazard, notify the Chairperson or Vice Chairperson immediately!!

2. Overhead: Be aware of overhead power lines. They are installed and maintained by our local electric company and should not be a problem for a standard 10'x10' tent, but you should still be aware of them.
3. Underground: We have underground electric, gas and water lines, they are supposed to be at least 18" in the ground, but they were put in by contractors, please do not drive stakes into the ground. If you sever a line, please IMMEDIATELY notify the Chairperson or Vice Chairperson.
4. Electrical: Do NOT DIRECT WIRE INTO ELECTRICAL PANELS, it is illegal, when we find it, it will be disconnected and you will not be allowed to hook up to power, you will be subject to County fines and/or arrest. Please let the SFSF know of your power requirements so we can have plugs installed by qualified personnel. Ground Fault Interrupters (GFI) often trip, simply reset the outlet, if that doesn't work alert a Festival Staff member.
5. Littering: Littering is illegal, we have over 15 large trash receptacles around the grounds and a large dumpster is behind the building, please use them.
6. Dumping: Do not dump vegetable oil onto the ground, you must take it home with you. It is illegal to dump oil and you may be fined and/or arrested.
7. Gray water: Do not dump gray water on the ground, you may be subject to County fines and/or arrest. Either retain your gray water or dump it into the barrels labeled and designated for gray water.
8. Food Sanitation: Onslow County Food Sanitation Rules are available on the Onslow County Health Department Website <http://www.onslowcountync.gov/668/Environmental-Health-Division>
